## Pegboard Display Case

This pegboard display case is double sided, the plastic hooks can be changed to metal if your products is heavy, also, the qty of hooks are customized according to your products.

Different paper materials can be selected according to customers' and weight requirements. It can be combined with other materials (metal, wood, plastic, etc.) to form a display stand.

### Pegboard Display Case

It is convenient for store display manufacturers to transport directly from the place of origin to the final point of sale and unpack and sell.
